

Camelback

The Camelback Sofa is based a Georgian sofa circa 1760, made with mortice and tenoned solid beech frame and with polished walnut legs distressed to match the antique. The antiqued brass studs are individually applied by hand to create a high quality detailing. Deep feather and down filled seat cushions sit on a webbed base; fabric, finish and dimensions can be adjusted according to the client's preference. This sofa can also be made with fitted back cushions please contact us for pricing information if you are interested in this option.
