

Howard Chair

Based on a traditional Howard armchair, this is an exact copy of a "Deep Seated Bridgwater" employing all the same techniques used by these masters of comfort. This is not your High Street imitation, it gets more and more comfortable with age. The example shown in blue is a compact model, measuring 78cm high x 70cm wide x 96cm deep.

Requires 9.5m fabric (plain and standard width). Price exclusive of fabric, but includes upholstery costs.
